EXAMINER'S AMENDMENT

Election/Restrictions

1. Claims 23-28 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on March 18, 2004 and June 21, 2004.
2. Applicant's election of the species of Group II (Figs. 3, 4A, 4B, 5, 6), claims 16-22, in the reply filed on June 21, 2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

Please cancel claims 23-28.

4. This application is in condition for allowance except for the presence of claims 23-28 to an invention non-elected without traverse. Accordingly, claims 23-28 have been cancelled.

REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance:

Claims 16-22 are allowable over the Prior Art since the Prior Art fails to adequately teach or suggest all of the limitations of claim 16, particularly, means for preventing the jetted water from scattering in the air, said preventing means enclosing said nozzle, and means for closing a gap between said preventing means and an outer edge of said upper abrasive plate, wherein said closing means closes said gap when said nozzle and said preventing means are moved toward the outer edge of said upper abrasive plate and said gap is formed between said preventing means and the outer edge of said upper abrasive plate.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
